WHEREAS, Borrower desires to secure all of the Indebtedness by a grant of superpriority status with respect to the Indebtedness pursuant to Section 364(c)(1) of the Bankruptcy Code and Security Interests pursuant to Sections 364(c)(2), 364(c)(3) and 364(d) (in each case more fully described and subject to any applicable limitations set forth in this Agreement and the Financing Orders).

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION 1: AGREEMENTS REGARDING THE DIP LOANS

Section 1.1 DIP Loans

(a) DIP Revolver Commitment; DIP Loans.

(i) Subject to the terms and conditions of this Agreement and the Financing Orders, and in reliance upon the representations and warranties of Borrower herein set forth, DIP Lender hereby agrees, subject to (A) the limitations set forth below with respect to the maximum amount of DIP Revolving Loans permitted to be outstanding from time to time hereunder and (B) the Budget, to lend to Borrower from time to time during the period from the Closing Date to but excluding the Final Maturity Date, DIP Loans in an aggregate amount outstanding at any time not exceeding the amount of the DIP Revolver Commitment. The aggregate principal amount of DIP Loans outstanding at any time hereunder shall not exceed, for any week, the principal amount of the DIP Loans projected to be outstanding during such week as set forth in the Budget for such week.

(ii) The original amount of the DIP Revolver Commitment is One Million Dollars and No/100 (\$1,000,000); provided that the DIP Revolver Commitment shall be reduced from time to time by the amount of any reductions thereto made pursuant to Section 1.11. DIP Lender's DIP Revolver Commitment shall expire on the Final Maturity Date and all DIP Loans and all other amounts owed hereunder with respect to the DIP Loans and the DIP Revolver Commitment shall be paid in full no later than such date. Subject to reduction of the DIP Revolver Commitment pursuant to Section 1.11, amounts

borrowed under this Section 1.1(b) may be repaid and reborrowed to but excluding the Final Maturity Date, as set forth herein.

(iii) Anything contained in this Agreement to the contrary notwithstanding, the DIP Loans and the DIP Revolver Commitment shall be subject to the limitation that at no time shall the sum of the Total Utilization of DIP Revolver Commitment and the applicable amount of the accrued and unpaid Carveout at such time exceed the DIP Revolver Commitment then in effect. In furtherance of the foregoing, it is agreed and understood that DIP Lender shall from time to time establish reserves and revise such reserves in its reasonable credit judgment to provide for the dollar-for-dollar reduction in the amount of DIP Loans which would otherwise be available to Borrower hereunder, in an amount equal to the Carveout and other Postpetition Charges (as defined in the then applicable Financing Order).

(b) Borrowing Mechanics.

(i) DIP Loans made on any Funding Date shall be in an aggregate minimum amount of Fifty Thousand Dollars (\$50,000) and multiples of Ten Thousand Dollars (\$10,000) in excess of that amount, or, if less, the remaining amount available in any week under the Budget for such week. Whenever Borrower desires that DIP Lender make DIP Loans, Borrower shall deliver to DIP Lender a duly executed borrowing notice with an updated determination of borrowing availability no later than 10:00 a.m. (eastern time) at least one (1) Business Day in advance of the proposed Funding Date. In lieu of delivering such notice, Borrower may give DIP Lender telephonic notice by the required time of any proposed borrowing under this Section 1.1(b); provided that such notice shall be promptly confirmed in writing by delivery of a duly executed borrowing notice to DIP Lender on or before the applicable Funding Date.

(ii) DIP Lender shall not incur any liability to Borrower in acting upon any telephonic notice referred to above that DIP Lender believes in good faith to have been given by an officer of Borrower or other Person authorized to borrow on behalf of Borrower or for otherwise acting in good faith under this Section 1.1(b), and upon the funding of DIP Loans by DIP Lender in accordance with this Agreement and pursuant to any such telephonic notice, Borrower shall have effected DIP Loans hereunder.

(iii) Borrower shall notify DIP Lender prior to the funding of any DIP Loans in the event that any of the matters to which Borrower is required to certify in the applicable borrowing notice is no longer true and correct as of the applicable Funding Date, and the acceptance by Borrower of the proceeds of any DIP Loans shall constitute a re-certification by Borrower, as of the applicable Funding Date, as to the matters to which Borrower is required to certify in the applicable borrowing notice.

(c) Disbursement of Funds; DIP Revolver Note.

(i) Upon satisfaction or waiver of the conditions precedent specified in Section 4.2, DIP Lender shall make the proceeds of such DIP Loans available to Borrower on the applicable Funding Date by causing an amount of same day funds in dollars to be credited to the "Blocked Account" (as defined in the Financing Orders)..

(A) Borrower agrees that, upon the request of DIP Lender, Borrower will execute and deliver to DIP Lender, the DIP Note to evidence DIP Lender's DIP Loans, in the principal amount of DIP Lender's DIP Revolver Commitment and with other appropriate insertions.

Section 1.2 Repayment of DIP Loans. Borrower may, at any time and from time to time, repay any portion of the outstanding principal balance of the DIP Loans on any Business Day in whole or in part, which payments will be applied in accordance with Section 1.10 of this Agreement. Borrower shall make

a final payment in an aggregate amount equal to the unpaid principal balance of the DIP Loans on the Final Maturity Date.

Section 1.3 Fees and Expenses. Whether or not the transactions contemplated hereby shall be consummated, Borrower shall assume and pay upon demand all out-of-pocket expenses incurred by DIP Lender in connection with the preparation of loan documents, the making of the DIP Loans and the enforcement and administration of the DIP Loans, whether incurred prior to, on or after the Filing Date, including without limitation the following: (a) all closing costs, fees, and disbursements; (b) all fees, costs, and expenses of DIP Lender's legal counsel, accountants, advisors and consultants; and (c) expenses related to any exit or other credit facility provided by DIP Lender or any lenders approved by DIP Lender.

Section 1.4 Recordkeeping. DIP Lender shall record in its records, the date and amount of each DIP Loan made by DIP Lender, and each repayment thereof. The aggregate unpaid principal amount so recorded shall be rebuttable presumptive evidence of the principal amount owing and unpaid with respect to such DIP Loan. The failure to so record any such amount or any error in so recording any such amount shall not, however, limit or otherwise affect the obligations of Borrower hereunder or under any DIP Loan to repay the principal amount of the DIP Loans together with all interest accruing thereon.

Section 1.5 Interest.

(a) Interest on DIP Loans. The unpaid principal amount of each DIP Loan shall bear interest from the date thereof until the Final Maturity Date (whether by acceleration or otherwise) at a per annum rate equal to five percent (5%).

(b) Default Interest. Notwithstanding the above provisions, if an Event of Default is in existence and/or the Final Maturity Date has occurred, all outstanding amounts of principal and, to the extent permitted by law, all overdue interest, in respect of each and every DIP Loan and all other Indebtedness owing pursuant to this Agreement or any Related Document shall bear interest, payable on demand, at the Default Rate.

(c) Accrual and Payment of Interest. Interest shall accrue from and including the date of a DIP Loan to, but excluding the date of any prepayment or repayment thereof, and shall be payable in arrears on the first Business Day of each calendar month and on demand after maturity or following an Event of Default.

(d) Repayment Fee. Borrower agrees to pay to DIP Lender a repayment fee equal to \$250,000, which fee shall be fully earned upon the Closing Date but not payable unless and until the DIP Loans are paid in full with amounts other than proceed of a sale by Borrower to DIP Lender or an Affiliate of DIP Lender.

(e) Computations of Interest and Fees. All computations of interest on all DIP Loans, fees and other amounts owing hereunder shall be made on the actual number of days elapsed over a year of 360 days.

(f) Maximum Interest Rate. In no event shall the amount of interest paid hereunder, together with all amounts reserved, charged, or taken by DIP Lender as compensation for fees, services, or expenses incidental to the making, negotiation or collection of the DIP Loans evidenced hereby exceed the maximum rate of interest on the unpaid balance hereof allowable by applicable law. If any sum is collected in excess of the applicable maximum rate, the excess collected shall be applied to reduce the principal amount of the Indebtedness.

Section 1.6 Mandatory Prepayments. Borrower (or, in the case of subsection (b) below, if DIP Lender is holding the proceeds of insurance or condemnation as additional collateral pursuant hereto or any Related Document, DIP Lender) shall make a prepayment of the DIP Loans upon the occurrence of any of the following, at the following times and in the following amounts:

(a) Immediately upon the closing of any sale, transfer or other disposition by Borrower of any asset, in an amount equal to one hundred percent (100%) of the cash proceeds of such sale, transfer or other disposition, net of the costs and expenses of disposition, including commissions, taxes, legal fees and expenses and other transactions costs, consented to, in writing, by DIP Lender;

(b) Within two (2) days after the receipt of any insurance or condemnation proceeds (or other similar recoveries) by Borrower or by DIP Lender (to the extent DIP Lender is holding the insurance or condemnation proceeds as additional collateral pursuant hereto or any Related Document) from any casualty loss incurred by Borrower or condemnation of property, in an amount equal to one hundred percent (100%) of such insurance or condemnation proceeds (or other similar recoveries) net of any collection expenses;

(c) Within two (2) days after the receipt of any proceeds from the issuance of any equity interests by Borrower, in an amount equal to one hundred percent (100%) of such proceeds, net of the costs and expenses of the transaction, including commissions, taxes, legal fees and expenses and other transactions costs, consented to, in writing, by DIP Lender; and

(d) Within two (2) days after the receipt of any proceeds from the incurrence of any indebtedness by Borrower, in an amount equal to one hundred percent (100%) of such proceeds, net of the costs and expenses of the transaction, including commissions, taxes, legal fees and expenses and other transactions costs, consented to, in writing, by DIP Lender.

The proceeds of such mandatory prepayments shall be applied to Indebtedness as set forth in Section 1.10.

Section 1.7 Term. This Agreement shall continue until all Indebtedness of Borrower to DIP Lender has been performed in full and the parties terminate this Agreement in writing or this Agreement is terminated by DIP Lender as otherwise provided for herein.

Section 1.8 Requirements of Law.

(a) Increased Costs. In the event that at any time or from time to time after the date hereof any new or changed law, rule, regulation or directive or any new or changed interpretation or application thereof by any Governmental Authority charged with the administration or interpretation thereof, or compliance by DIP Lender or any participant with any request or directive (whether or not having the force of law) received from any central bank or monetary authority or other Governmental Authority after the date hereof:

(i) does or shall subject DIP Lender or such participant to any tax of any kind whatsoever or change therein with respect to this Agreement or the DIP Loans hereunder, or change the basis of taxation of payments to DIP Lender or such participant of principal or interest or any other amount payable hereunder (except for changes in the rate of tax on the overall net income of DIP Lender or such participant);

(ii) does or shall impose, modify or hold applicable or change any reserve. (including, without limitation, basic, supplemental, marginal and emergency reserves), special deposit, compulsory loan or similar requirement against assets held by, or deposits or other liabilities in or for the

account of, advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of DIP Lender or such participant; or

(iii) does or shall impose on DIP Lender or such participant any other condition, or change therein, and the result of any of the foregoing is to increase the net cost to DIP Lender or such participant of making, committing to make, renewing, converting or maintaining a DIP Loan or to reduce any net amount receivable thereunder, then, in any such case, Borrower shall promptly pay to DIP Lender, upon its demand, such additional amount which will compensate DIP Lender for such additional cost or reduced amount receivable which DIP Lender seems to be material, as determined by the DIP Lender, with respect to this Agreement or the DIP Loans hereunder.

For purposes of this Section 1.8(a), the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith shall be deemed to be a new or changed law after the date hereof regardless of the date enacted, adopted or issued.

(b) Capital Adequacy. In the event that after the date hereof DIP Lender shall have determined that the adoption of any law, rule, regulation or guideline regarding capital adequacy, or any change therein or in the interpretation or application thereof by any Governmental Authority charged with the administration or interpretation thereof or compliance by DIP Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any central bank or Governmental Authority including, without limitation, the issuance of any final rule, regulation or guideline, does or shall have the effect of reducing, the rate of return on DIP Lender's or its holding company's capital as a consequence of its obligations hereunder to a level below that which DIP Lender could have achieved but for such adoption, change or compliance (taking into consideration DIP Lender's policies with respect to capital adequacy) by any amount deemed by DIP Lender to be material, then from time to time, within fifteen (15) days after demand by DIP Lender, Borrower shall either repay the DIP Loans in full without penalty or pay to DIP Lender such additional amount or amounts as will compensate DIP Lender or such participant for such reduction. For purposes of this Section 1.8(b), the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith shall be deemed to be an adoption of a law after the date hereof regardless of the date enacted, adopted or issued.

(c) Notice. If DIP Lender becomes entitled to claim any additional amounts pursuant to this Section 1.8, it shall notify Borrower thereof within thirty (30) days after DIP Lender becomes aware of the nature and extent of such claim or, in any event, within a reasonable time thereafter; provided, however, failure of DIP Lender to give such notice pursuant to this Section 1.8 shall not relieve Borrower of any of its obligations hereunder. A certificate as to any additional amounts payable pursuant to this Section 1.8 submitted by DIP Lender to Borrower shall be conclusive absent manifest error. Such certificate shall outline in reasonable detail the computation of any amounts claimed by it under this Section 1.8 and the assumptions underlying such computation. DIP Lender shall not, however, be required to disclose, in such certificate or otherwise, any proprietary or confidential information.

Section 1.9 Setoff

(a) Subject only to the terms of the applicable Financing Order, Borrower agrees that, upon the occurrence and during the continuance of any Event of Default, DIP Lender is hereby authorized, at any time and from time to time, without notice to Borrower, (i) to set off against and to appropriate and apply to the payment of any and all Indebtedness (whether matured or unmatured, fixed or contingent or liquidated or unliquidated) any and all amounts which DIP Lender is obligated to pay over to Borrower (whether matured or unmatured), and (ii) pending any such action, to the extent necessary, apply such funds pursuant to Section 1.10.

(b) The rights of DIP Lender under this Section 1.9 are in addition to all other rights and remedies which DIP Lender may otherwise have hereunder or in law or equity.

Section 1.10 Application of Payments and Proceeds of Collateral. Except to the extent otherwise agreed by DIP Lender to be used by Borrower as cash collateral in the Bankruptcy Case, all monies received by DIP Lender pursuant to this Agreement (including, without limitation under Sections 1.2 and 1.0 of this Agreement) and all proceeds of Collateral received by DIP Lender shall be applied as set forth in the then applicable Financing Order.

Until checks and other instruments delivered to DIP Lender in payment or on account of Borrower's obligations and the Indebtedness are actually paid to DIP Lender, Borrower agrees that such items constitute conditional payment only. For purposes of this Agreement, all payments on the DIP Loans or other amounts due under this Agreement or any Related Document shall be made in immediately available funds prior to 12:30 p.m. (eastern time) on the day when due. If such payments or other amounts due are received by DIP Lender on a day other than a Business Day or after 12:30 p.m. (eastern time) on a Business Day, such payments or other amounts shall be deemed to be applied by DIP Lender on account of the Indebtedness on the next Business Day following receipt in DIP Lender's account. Notwithstanding anything to the contrary in this Section 1.11, from and after the occurrence of an Event of Default, DIP Lender may apply, unapply and reapply amounts in its discretion; provided that such applications are in accordance with the then applicable Financing Order.

Section 1.11 Use of Proceeds of DIP Loans. The proceeds of any DIP Loans shall be used by Borrower in accordance with the terms of the Interim Financing Order, the Final Financing Order and the Budget, and in accordance with the terms described herein, (i) to fund general corporate purposes relating to post-petition operations; (ii) to fund secured loans to Borrower's Subsidiaries in the amounts and at such times set forth in the Budget, subject to the other terms of this Agreement; (iii) to pay (a) all amounts due to DIP Lender as provided hereunder, and (b) all professional fees and expenses (including legal, financial advisor, appraisal and valuation-related fees and expenses) incurred by DIP Lender, including those incurred in connection with the preparation, negotiation, documentation and court approval hereof (whether incurred before or after the date of the commencement of the Bankruptcy Case); (iv) to repay certain other prepetition claims as may be permitted by the Bankruptcy Court pursuant to "first day" orders, if any, satisfactory to DIP Lender; and (v) to provide for ongoing debtor-in-possession working capital needs.

SECTION 2: BORROWER'S REPRESENTATION AND WARRANTIES

The Financials fairly present the assets, liabilities and financial condition and results of operations of Borrower and its Subsidiaries described therein as of the dates thereof and were prepared on a basis consistent with the preparation of Borrower's and its Subsidiaries' financial statements for prior periods; there are no omissions or other facts or circumstances which are or may be material as of the date of the Financials, and there has been no material and adverse change in the Collateral, assets, liabilities or financial condition of Borrower or its Subsidiaries since the date of the Financials; there exist no outstanding advances to any Person not reflected in the Financials; except as set forth in the Financials, there are no actions or proceedings which are pending, or, to the best of Borrower's and its Subsidiaries' knowledge, threatened against Borrower or its Subsidiaries; to the best of Borrower's and its Subsidiaries' knowledge, there are no actions or proceedings which are pending or threatened against any other Person which might result in any material adverse change in Borrower's or its Subsidiaries' financial condition or materially and adversely affect its operations, its assets or the Collateral; except as stated in the Financials, neither Borrower nor its Subsidiaries have any other liabilities and have not guaranteed the obligations of any other Person. Any financial projections delivered to DIP Lender by or on behalf of Borrower or its Subsidiaries were, at the time of delivery to DIP Lender, reasonable forecasts based upon good business judgment and all facts and information known to Borrower, its Subsidiaries and its consultants.

(f) No Default. Other than as a result of the commencement of the Bankruptcy Case and as otherwise set forth on Schedule 2.1(f), neither Borrower nor any of its Subsidiaries is in default, nor, to the best of Borrower's and its Subsidiaries' knowledge, is any third party in default, under or with respect to any contract, agreement, lease or other instrument to which Borrower or any of its Subsidiaries are a party. No Unmatured Default or Event of Default has occurred and is continuing.

(g) Legal Effect. This Agreement and all of the Related Documents constitute legal, valid and binding obligations of Borrower and its Subsidiaries enforceable against Borrower and its Subsidiaries in accordance with its respective terms in all applicable jurisdictions.

(h) Properties. Borrower and its Subsidiaries have good and marketable title to the assets reflected on the most recent balance sheet submitted to DIP Lender, free and clear from all Security Interests, claims and other encumbrances, except for: (i) current taxes and assessments not yet due and payable, (ii) Security Interests and encumbrances, if any, reflected or noted on such balance sheet or notes thereto and set forth on Schedule 2.1(h), (iii) assets disposed of in the ordinary course of business, (iv) any Security Interests granted to DIP Lender to secure the repayment or performance of the Indebtedness, and (v) any Security Interests granted to Prepetition Lender to secure the repayment or performance of the Prepetition Loan Obligations. All of Borrower's and its Subsidiaries' properties are titled in Borrower's or one of its Subsidiaries' legal names. Borrower and its Subsidiaries have authority to encumber the Collateral in the manner and form herein provided. Borrower and its Subsidiaries shall defend and protect the Collateral against and from all claims and demands of all Persons at any time claiming any interest therein adverse to DIP Lender. No financing statement or other document similar in effect covering all or any part of the Collateral is on file in any recording or filing office, other than those identifying DIP Lender as the secured party or as set forth in Schedule 2.1(h).

(i) Hazardous Substances. The terms "hazardous waste," "hazardous substance," "disposal," "release," and "threatened release," as used in this Agreement, shall have the same meanings as set forth in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq., the Superfund Amendments and Reauthorization Act of 1986, Pub. L No. 99-499, the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq., the Resource Conservation and Recovery Act, 49 U.S.C. Section 6901, et seq., or other applicable state or Federal laws, rules, or regulations adopted pursuant to any of the foregoing. The terms "hazardous waste" and "hazardous substance" shall also include, without limitation, petroleum and petroleum by-products or any fraction thereof and asbestos. Borrower represents and warrants to DIP Lender that: (i) during the period of each of Borrower's and each of its Subsidiaries' ownership (whether in its own name or in the name of a land trust owned by Borrower or such Subsidiaries) or lease of Borrower's or its Subsidiaries properties, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any hazardous waste or substance by any Person on, under, or about such properties; (ii) there has not been (A) any use, generation, manufacture, storage, treatment, disposal, release, or threatened release of any hazardous waste or substance by any Person on or under such properties or (B) any actual or threatened litigation or claims of any kind by any Person relating to such matters; and (iii) none of Borrower, its Subsidiaries nor any of their respective tenants, contractors, agents or other authorized users of any of such properties shall use, generate, manufacture, store, treat, dispose of, or release any hazardous waste or substance on, under, or about any of such properties except in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation those laws, regulations, and ordinances described above. Borrower and its Subsidiaries authorize DIP Lender and its agents to enter upon their respective properties to make such inspections and tests, at Borrower's and its Subsidiaries' expense, as DIP Lender may deem appropriate to determine compliance with this section of the Agreement. Any inspections or tests made by DIP Lender shall be for DIP Lender's purposes only and shall not be construed to create any responsibility or liability on the part of DIP Lender to Borrower, its Subsidiaries, or to any other Person. The representations and warranties contained herein are based on Borrower's and its Subsidiaries due diligence in investigating the properties for hazardous waste or substance. Borrower, on behalf of itself and its Subsidiaries, hereby (x) releases and waives any present and future claims against DIP Lender for indemnity or contribution in the event Borrower or any of its Subsidiaries becomes liable for cleanup or other costs under any such laws, and (y) agrees to indemnify and hold harmless DIP Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which DIP Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Agreement or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release of hazardous waste or substance occurring prior to Borrower's or its

Subsidiaries' ownership or interest in the properties, whether or not the same was or should have been known to Borrower or its Subsidiaries. The provisions of this section of the Agreement, including the obligation to indemnify, shall survive the payment of the Indebtedness and the termination or expiration of this Agreement and shall not be affected by DIP Lender's acquisition of any interest in any of the properties, whether by foreclosure or otherwise.

(j) Litigation and Claims. Except for the Bankruptcy Case and as set forth on Schedule 2.1(j), no litigation, proceeding, suit, action, or claim against Borrower or its Subsidiaries is pending or threatened, and no other event has occurred which may adversely affect Borrower's or its Subsidiaries' financial condition, or operations of Borrower or its Subsidiaries, or properties, including the Collateral. There are no proceedings before any governmental body that are pending or threatened against Borrower or its Subsidiaries.

(k) Laws and Taxes. Borrower and its Subsidiaries are in material compliance with all laws, regulations, rulings, orders, injunctions, decrees, conditions or other requirements applicable to or imposed upon Borrower or its Subsidiaries by any law or by any Governmental Authority. Borrower and its Subsidiaries have filed all required tax returns and reports that are now required to be filed by them in connection with any federal, state and local tax, duty or charge levied, assessed or imposed upon Borrower, its Subsidiaries or their respective assets, including unemployment, social security, and real estate taxes. Borrower and its Subsidiaries have paid all taxes which are now due and payable. No taxing authority has asserted or assessed any additional tax liabilities against Borrower or its Subsidiaries which are outstanding on this date, and neither Borrower, nor its Subsidiaries, have filed for any extension of time for the payment of any tax or the filing of any tax return or report.

(l) Lien Priority. The Security Interests in favor of DIP Lender provided by the orders by the Bankruptcy Court under the Bankruptcy Case and in this Agreement or any Related Document are a valid and perfected first priority security interest in the Collateral (subject only to the "Permitted Priority Liens" (as defined in the Financing Orders)), and all filings and other actions necessary to perfect such Security Interest have been duly taken and all such filings reasonably identify the Collateral. Unless otherwise disclosed to DIP Lender in writing on the attached Schedule 2.1(l), Borrower has not entered into or granted any Security Interests, or permitted the filing or attachment of any Security Interests on or affecting any of the Collateral other than Security Interests on the Collateral securing the Prepetition Debt.

(m) Investment Company Act. Neither Borrower, nor its Subsidiaries, are an "investment company" or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended.

(n) Margin Regulations. Borrower's execution, delivery and performance of this Agreement does not and will not directly or indirectly violate or result in a violation of Section 7 of the Securities Exchange Act of 1934, as amended, or any regulations issued pursuant thereto, including, without limitation, Regulations T, U and X of the Board of Governors of the Federal Reserve System, and no Borrower owns or intends to purchase or carry any "margin security," as defined in such regulations, from the proceeds of any DIP Loan.

(o) Location of Borrower's Offices and Records. The place of business, and if Borrower and its Subsidiaries have more than one place of business, Borrower's and each of its Subsidiaries' chief executive offices, and the office or offices where Borrower and its Subsidiaries keep their records concerning the Collateral is located at those locations set forth on the attached Schedule 2.1(o) which shall include a listing of all previous locations for the past five (5) years. If any change in the place or places of business of Borrower or its Subsidiaries, or any of their chief executive offices, or the office or offices where Borrower and its Subsidiaries keep their records concerning the Collateral will occur, Borrower shall provide DIP Lender with, at Borrower's sole cost and expense, such financing statements

and other documents as DIP Lender shall request in connection with such change in order to maintain DIP Lender's first priority perfected security interest in the Collateral, subject only to the "Prepetition Liens" (as defined in the Financing Orders).

(p) Names. Borrower's and its Subsidiaries' exact legal names are as set forth on the attached Schedule 2.1 (p). Neither Borrower nor its Subsidiaries have used in the past five (5) years, and Borrower and its Subsidiaries shall not hereafter use, any name other than the name set forth on the attached Schedule 2.1 (p) (including, without limitation, any tradename, assumed name, any fictitious or any similar name).

(q) Information. Borrower further agrees that the purchaser of any such interests may enforce its interests irrespective of any personal claims or defenses that Borrower may have against DIP Lender.

(g) Costs and Expenses. Borrower agrees to pay upon demand all of DIP Lender's out-of-pocket expenses, including attorneys' fees, incurred in connection with this Agreement, any Related Document, or any Collateral or in connection with the Indebtedness under this Agreement. DIP Lender may engage agent to help collect the Indebtedness and to enforce this Agreement and the Related Documents, and Borrower will reimburse DIP Lender therefor. This includes, subject to any limits under applicable law, all fees and expenses payable pursuant to Section 1.3 of this Agreement, DIP Lender's attorneys' fees and legal expenses, whether or not there is a lawsuit, including all Bankruptcy Case Costs (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post judgment collection services. Borrower also will pay any court costs, in addition to all other sums provided by law.

(h) Advice of Counsel; Joint Interpretation. Borrower acknowledges that it has been advised by its counsel with respect to this transaction, this Agreement, and the Related Documents, including, without limitation, all waivers contained herein and therein. The parties acknowledge that each party and its counsel have reviewed this Agreement and the Related Documents and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement, the Related Documents, or any amendments or exhibits thereto.

(i) Notices. Except as otherwise provided herein, whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by another, or whenever any of the parties desires to give or serve upon another any communication with respect to this Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be delivered in person (by personal delivery, delivery service or reputable overnight courier service), or telecopied and confirmed immediately in writing by a copy mailed by United States mail, postage prepaid, addressed as hereafter set forth, or mailed by registered or certified mail, return receipt requested, postage prepaid, addressed as follows:

or at such other address as may be substituted by notice given as herein provided. The giving of any notice required hereunder may be waived in writing by the party entitled to receive such notice. Every notice, demand, request, consent, approval, declaration or other communication hereunder shall be deemed to have been duly given or secured on the date on which (i) personally delivered (whether in person, by delivery service, or by reputable overnight courier service), (ii) the date of the telecopy transmission (provided the confirmation mailing was sent as provided herein), or (iii) on the date of receipt if sent by the United States mail. Failure or delay in delivering copies of any notice, demand, request, consent, approval, declaration or other communication to the Persons designed above to receive copies, if any, shall in no way adversely affect the effectiveness of such notice, demand, request, consent, approval, declaration or other communication.

(j) Severability. If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any Person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other Person or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

(k) Subsidiaries and Affiliates of Borrower. To the extent the context of any provisions of this Agreement makes it appropriate, including without limitation any representation, warranty or covenant, the word "Borrower" as used herein shall include all subsidiaries of Borrower, if any. Notwithstanding the foregoing however, under no circumstances shall this Agreement be construed to require DIP Lender to make any DIP Loan, or other financial accommodation to any subsidiary or Affiliate of a Borrower.

(l) Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the parties and their successors and assigns and shall inure to the benefit of DIP Lender, its successors and assigns. Borrower does not, however, have the right to assign its rights under this Agreement or any interest therein, without the prior written consent of DIP Lender.

(m) Survival. All warranties, representations, and covenants made by Borrower in this Agreement or in any certificate or other instrument delivered by Borrower to DIP Lender under this Agreement shall be considered to have been relied upon by DIP Lender and will survive the making of the DIP Loans and delivery to DIP Lender of the Related Documents, regardless of any investigation made by DIP Lender or on DIP Lender's behalf.

(n) Time Is of the Essence. Time is of the essence in the performance of this Agreement.

(o) Agency. Nothing in this Agreement shall be construed to constitute the creation of a partnership or joint venture between DIP Lender and Borrower or any Person. DIP Lender is not an agent or representative of Borrower. This Agreement does not create a contractual relationship with and shall not be construed to benefit or bind DIP Lender in any way with or create any contractual duties by DIP Lender to any contractor, subcontractor, materialmen, laborer, or any other Person other than Borrower.

(p) Merger. There shall be no merger of the interest or estate created by this Agreement or any Related Document with any other interest or estate in the Collateral at any time held by or for the benefit of DIP Lender in any capacity, without the written consent of DIP Lender.

(q) Indemnity. Whether or not the transactions contemplated hereby shall be consummated, Borrower agrees to defend, protect and indemnify DIP Lender, its participants and each of their assigns, and each of their respective directors, officers, employees, affiliates and agents (collectively, "Indemnified Persons") from and against, and agrees to hold each such Indemnified Person harmless from, any and all losses, claims, damages, obligations, judgments, penalties, and liabilities and related

costs and expenses, including, without limitation, counsel fees and expenses, incurred by such Indemnified Person arising out of any claim, action, suit, litigation, investigation or proceeding (whether or not such Indemnified Person is a party thereto), which may be imposed on, incurred by, or asserted against any Indemnified Person (whether direct, indirect or consequential and whether based on any federal or state laws or other statutory regulations, including, without limitation, securities, environmental and commercial laws and regulations, under common law or in equity, or in contract or otherwise) in any manner relating to or arising out of this Agreement, the Related Documents, any Prepetition Document or any act, event or transaction related or attendant hereto or thereto, the making and the management of the DIP Loans or the use or intended use of the proceeds of the DIP Loans hereunder or the use of the proceeds of the credit provided under the Prepetition Documents; provided, however that such indemnity shall not apply to any such losses, claims, damages, or liabilities or related expenses determined by a court of competent jurisdiction to have arisen from the gross negligence or willful misconduct of such Indemnified Person. The agreements of Borrower in this subsection shall be in addition to any of the Indebtedness that Borrower may otherwise have. All amounts due under this subsection shall be payable as incurred upon written demand therefor, shall be added to the Indebtedness of Borrower and shall bear interest at the Default Rate, and shall be secured by the Collateral. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this subsection may be unenforceable because it is violative of any law or public policy, Borrower shall contribute the maximum portion which it is permitted to pay and satisfy under applicable law, to the payment and satisfaction of all matters incurred by the Indemnified Persons. The provisions of and undertakings and indemnification set out in this Section shall survive the satisfaction and payment of the Indebtedness of Borrower and the termination of this Agreement.

(r) **Waiver and Consents.** DIP Lender shall not be deemed to have waived any rights under this Agreement or under the Related Documents unless such waiver is given in writing and signed by DIP Lender. No delay or omission on the part of DIP Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by DIP Lender of a provision of this Agreement shall not prejudice or constitute a waiver of DIP Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by DIP Lender, nor any course of dealing between DIP Lender and a Borrower, or between DIP Lender and any Guarantor, shall constitute a waiver of any of DIP Lender's rights or of any obligations of Borrower, any of its Subsidiaries, or of any Guarantor as to any future transactions.

(s) **DIP Lender's Discretion.** Whenever this Agreement requires either DIP Lender's consent, election, approval or similar action or otherwise vests in DIP Lender the authority to make decisions and/or determinations, such actions shall be made or withheld in DIP Lender's sole and absolute discretion, unless specifically provided otherwise and the granting of any consent, election, approval or similar action by DIP Lender in any instance shall not constitute continuing consent, election, approval or similar action in subsequent instances where such is required.

(t) **Payments Set Aside.** To the extent that Borrower makes a payment or payments to DIP Lender or DIP Lender enforces its Security Interest or exercises its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, state or federal law, common law or equitable cause, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

(u) **Waiver of Demand.** Demand, presentment, protest and notice of nonpayment are hereby waived by Borrower, except as otherwise expressly provided herein

(v) Conflict of Terms. Except as otherwise expressly provided in this Agreement and except as otherwise expressly provided in the Related Documents by specific reference to the applicable provision of this Agreement, if any provision in this Agreement is in conflict with, or inconsistent with, any provision in the Related Documents, the provision in this Agreement shall govern and control.

(w) Counterparts. This Agreement and all Related Documents may be executed in any number of separate counterparts, each of which shall, collectively and separately, constitute one agreement.

(x) Waiver of Jury Trial. DIP LENDER AND BORROWER WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS (i) UNDER THIS AGREEMENT OR ANY RELATED DOCUMENT OR UNDER ANY AMENDMENT, INSTRUMENT, DOCUMENT OR AGREEMENT WHICH MAY IN THE FUTURE BE DELIVERED IN CONNECTION WITH THIS AGREEMENT OR ANY RELATED DOCUMENT OR (ii) ARISING FROM ANY BANKING RELATIONSHIP EXISTING IN CONNECTION WITH THIS AGREEMENT, AND AGREE THAT ANY SUCH ACTION OR PROCEEDING WILL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. BORROWER AGREES THAT IT WILL NOT ASSERT ANY CLAIM AGAINST DIP LENDER OR ANY OTHER PERSON INDEMNIFIED UNDER THIS AGREEMENT ON ANY THEORY OF LIABILITY FOR SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR PUNITIVE DAMAGES. BORROWER ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS AGREEMENT, AND BORROWER AGREES TO ITS TERMS.

Section 6.4 Termination. Notwithstanding anything to the contrary contained in this Agreement, any obligations of DIP Lender under this Agreement and the other Related Documents shall terminate immediately upon the "Termination Date" (as defined in the then applicable Financing Order).

SECTION 7: GUARANTY

Section 7.1 Guaranty. Each Guarantor hereby jointly and severally and unconditionally and irrevocably guarantees the punctual payment when due, whether at stated maturity, by acceleration or otherwise, of all Indebtedness of Borrower, now or hereafter existing under any Related Document, whether for principal, interest, fees, commissions, expense reimbursements, indemnifications or otherwise (such obligations, to the extent not paid by Borrower, being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including without limitation, legal fees and expenses) incurred by DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender in enforcing any rights under the guaranty set forth in this Section 7. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by Borrower to DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender under any Related Document but for the fact that they are unenforceable or not allowable due to the Bankruptcy Cases. In no event shall the obligation of any Guarantor hereunder exceed the maximum amount such Guarantor could guarantee under any bankruptcy, insolvency or other similar law.

Section 7.2 Guaranty Absolute. Each Guarantor jointly and severally guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Related Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of DIP Lender, Prepetition Lender, and any other Affiliate of DIP Lender with respect thereto. Each Guarantor agrees that this Section 7 constitutes a guaranty of payment when due and not of collection and waives any right to require that any resort be made by DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender to any Collateral. The obligations of each Guarantor under this Section 7 are independent of the Guaranteed Obligations and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against Borrower or any other Guarantor or whether Borrower or any other Guarantor is joined

in any such action or actions. The liability of each Guarantor under this Section 7 shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives any defenses it may now or hereafter have in any way relating to, any or all of the following:

- (a) any lack of validity or enforceability of any Related Document or any agreement or instrument relating thereto;
- (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Related Document, including any increase in the Guaranteed Obligations resulting from the extension of additional credit to Borrower or otherwise;
- (c) any taking, exchange, release or non-perfection of any Collateral, or any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;
- (d) the existence of any claim, set-off, defense or other right that Borrower or any Guarantor may have at any time against any Person, including DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender;
- (e) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of Borrower or any Guarantor; or
- (f) any other circumstance (including any statute of limitations) or any existence of or reliance on any representation by DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender that might otherwise constitute a defense available to, or a discharge of, Borrower, any Guarantor or any other guarantor or surety (other than the defense of final payment in full of the Indebtedness).

This Section 7 shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender or any other Person upon the insolvency, bankruptcy or reorganization of Borrower or any Guarantor or otherwise, all as though such payment had not been made.

Section 7.3 Waiver. To the maximum extent permitted by applicable law, each Guarantor hereby waives (i) promptness and diligence, (ii) notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this Section 7 and any requirement that DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender exhaust any right or take any action against Borrower or any other Guarantor or any other Person or any Collateral, (iii) any right to compel or direct DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender to seek payment or recovery of any amounts owed under this Section 7 from any one particular fund or source or to exhaust any right or take any action against Borrower or any other Guarantor, any other Person or any Collateral, (iv) any requirement that DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender protect, secure, perfect or insure any security interest or lien on any property subject thereto or exhaust any right to take any action against Borrower, any other Obligor, any other Person or any Collateral, (v) any defense, right of set-off, claim or counterclaim whatsoever and any and all other rights, benefits, protections and other defenses available to such Borrower or such Guarantor now or at any time hereafter; and (vi) all other principles or provisions of law, if any, that conflict with the terms of this Section 7, including the effect of any circumstances that may or might constitute a legal or equitable discharge of a guarantor or surety (other than the defense of final payment in full in cash of the Indebtedness). Each Guarantor waives all rights and defenses arising out of an election of remedies by DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender, even though that election of remedies, such as a nonjudicial foreclosure with respect to security for a guaranteed obligation, has destroyed such Guarantor's rights of subrogation and reimbursement against

the principal. Each Guarantor agrees that DIP Lender, Prepetition Lender, and each other Affiliate of DIP Lender shall have no obligation to marshal any assets in favor of Borrower or any Guarantor or against, or in payment of, any or all of the Indebtedness. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 7.3 is knowingly made in contemplation of such benefits. Each Guarantor hereby waives any right to revoke this Section 7, and acknowledges that this Section 7 is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

Section 7.4 Continuing Guaranty; Assignments. This Section 7 is a continuing guaranty and shall (a) remain in full force and effect until the later of (i) the cash payment in full in cash of the Guaranteed Obligations (other than indemnification obligations as to which no claim has been made) and all other amounts payable under this Section 7 and (ii) the payment in full of all Indebtedness and termination of this Agreement, (b) be binding upon each Guarantor, its successors and assigns and (c) inure to the benefit of and be enforceable by DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender and their successors, pledgees, transferees and assigns. Without limiting the generality of the foregoing clause (c), DIP Lender may pledge, assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including all or any portion of its DIP Revolver Commitments and the DIP Loans) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted DIP Lender herein or otherwise.

Section 7.5 Subrogation. No Guarantor will exercise any rights that it may now or hereafter acquire against Borrower or any other Guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Section 7, including any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of DIP Lender, Prepetition Lender, or any other Affiliate of DIP Lender against Borrower, any other Guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including the right to take or receive from any Guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations, and all other amounts payable under this Section 7 shall have been irrevocably paid in full in cash and the Indebtedness under the Related Documents have been paid in full in cash. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence at any time prior to the later of the irrevocable payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Section 7 and the date all Indebtedness under the Related Documents have been paid in full in cash, such amount shall be held in trust for the benefit of DIP Lender and shall forthwith be paid to DIP Lender to be credited and applied to the Guaranteed Obligations, and all other amounts payable under this Section 7, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as Collateral for any Guaranteed Obligations, or other amounts payable under this Section 7 thereafter arising.
